

Dear Applicant:

Thank you for your interest in the Long Island State Veterans Home. We welcome this opportunity to provide you with our application, mission statement and brochure.

Often times the need for nursing home placement is immediate, allowing for little or no preparation time. You may be called upon to make important and emotionally difficult decisions regarding your loved one. Our caring and compassionate staff is comprised of highly trained and experienced professionals who are eager to assist you throughout the admissions process.

The Long Island State Veterans Home is proud of our 15 year tradition of excellence in "Serving Those Who Serve Our Nation." It is also our privilege and honor to now offer these services to spouses, widows and widowers of our country's heroes.

If you require additional information and would like to schedule an appointment for a tour, kindly call me at (631-444-8548).

Respectfully yours,

Carole Zwycewicz
