In order to process a request for admission, the following documents are required:

1. LISVH application (4 pages completed and signed)
2. Copy of Veteran's Discharge papers or other proof of VA Status
3. Copy of both sides of insurance cards including:
 - Medicare Card
 - Medicare Part D Card
 - Supplemental Insurance Card
 - Prescription Plan Card
4. Copy of legal documents such as Power of Attorney, (POA), Health Care Proxy, Living Will, etc.
5. Patient Review Instrument (PRI) and Screen
 - A. The Patient Review Instrument (PRI) and Screen is a New York State required assessment of the applicant's medical needs.
 - B. If the applicant is in the hospital or another nursing home, please ask the Social Worker to fax the PRI and Screen to the LISVH at (631) 444-8573.
 - C. If the applicant is at home please refer to the enclosed list of PRI screeners who will visit your home to complete the assessment. (The average cost for the service is \$125-\$200). In addition to the PRI and Screen, please have your family physician complete the enclosed medical history and physical form. This application can also be faxed or mailed to the Admission's office at the LISVH.
